Explanations: Percentile ranking, industry average and industry best scores are calculated based on the selected industry/peer group. Related statistics may include a mix of current and past assessment year scores (please see scorecard header for selected industry/peer group composition details). All values are on a scale from 0 to 100 (best). For each row, weights are shown as a percentage of the total weight of 100. Further information on the assessment methodology can be found on www.spglobal.com/esg/csa

Disclaimer. All information, text, data, reports, or material, including ratings or scores, ("Scorecard") and other reports, materials, or websites of S&P Global Inc. and its subsidiaries (collectively "S&P") is the exclusive property of S&P Global Inc. or its relevant subsidiary and may not be copied or reproduced in any form except with the prior written permission of S&P Global Inc.. Your use of the Public Scores shall be governed by the terms and conditions you may have accepted in form of a click-wrap and/or a written Agreement between S&P Global and You. Accordingly, S&P grants you a non-exclusive, limited right to disseminate this Scorecard (i) as part of your sustainability report published on your webpage, or on your public facing website; (ii) to your investors, board of directors, officers, affiliates and affiliates' investors, directors, officers and advisors in accordance with applicable laws and regulation for such recipient's internal use; and (iii) as part of any publications which are part of public domain. Any dissemination by you shall include the full, unmodified Scorecard, including any updates where applicable, with all disclaimers and attributions intact. Any such permitted dissemination shall not be done in a manner that serves as a substitute for any products and services containing S&P's intellectual property for which a fee is charged. Any unauthorized use, facilitation or encouragement of a third party's unauthorized use (including without limitation copy, distribution, transmission, modification, use as part of generative artificial intelligence and/or for training any artificial intelligence models) of this Content or any related information is not permitted without S&P Global's prior consent and shall be deemed an infringement, violation, breach or contravention of the proprietary rights of S&P Global or any applicable third-party (including any copyright, trademark, patent, rights of privacy or publicity or any other proprietary rights). S&P Global gives no representations or warranties regarding the use of these Scorecards and/or their fitness for a particular purpose. The Scorecards are not recommendations to purchase, hold, or sell any securities and do not address the suitability of any security for investment decision making or for investment analysis, compliance or research purposes related to ESG investment, performance, and practices in any particular jurisdiction. The Content, including, without limitation, the S&P Global ESG Scores, should not be relied on and is not a substitute for the skill, judgment and experience of the user, its management, employees, advisors and/or clients when making investment and other business decisions. You acknowledge that your use of the Content, including, without limitation, the S&P Global ESG Scores, shall not be for any unlawful or unauthorized purposes. The S&P Global ESG Scores (as may be updated) are provided "as is" and reflect S&P Global Sustainable1's opinion as of the date they are expressed and do not constitute statements of fact. S&P Global shall have no liability, duty or obligation for or in connection with this Content, any other related information (including for any errors, inaccuracies, omissions or delays in the data) and/or any actions taken in reliance thereon.
